Publication terms of SLUB Dresden

1 Assignment of rights to the repository provider

1. I hereby grant SLUB Dresden a non-exclusive right of use for the maximum duration foreseen in the German Act on Copyright and Related Rights, unlimited in respect of place, time or content, to electronically store, process, make publicly available in data networks, such as the internet, and to make available via technical interfaces, such as OAI (Open Archive Initiative), the above-mentioned article(s) with the associated metadata including the abstract.
2. I grant SLUB Dresden the right to report and distribute the above-mentioned article(s) with the associated metadata including the abstract to other institutions, among others within national collective orders, in particular for the purpose of long-term archiving.
3. I agree that the metadata (without abstract) will be published under the license Creative Commons Zero (CC0, see <https://creativecommons.org/publicdomain/zero/1.0/>).
4. I agree that, for the purpose of archiving, copies of the document(s) and conversions into other electronic or physical formats may be carried out, while maintaining the integrity of the original content.
5. I may revoke this/these assignment(s) of rights by providing reasonable grounds. If there are no legal constraints, access to the article(s) will no longer be made available.

2 Declaration of Copyright and Personal Rights

1. I declare that I have the right of use of all parts of the work and that the rights of third parties, in particular copy-rights and personal rights of third parties, are not infringed upon by this (these) article(s). If alleged or actual infringements of any third party rights are asserted, I will inform the repository provider immediately. If the SLUB Dresden suffers any damage due to incorrect or incomplete information provided by me, I must compensate the SLUB Dresden for this damage.
2. I agree that the personal data of myself and others, which may be present in the article(s) and in the metadata, may be made publicly available.
3. I declare that all parties involved in the article(s) have been informed of the intended publication and have consented to the use of their contributions in the manner explained above.

3 General information

1. Author(s) or other right holder(s) shall check the metadata, which SLUB Dresden may change and complete if necessary, and the online version of the article(s) after processing by the SLUB Dresden for completeness, authenticity and legibility.
2. SLUB Dresden does not pursue any economic interests with the publication. For the publication of the above-mentioned article(s), author(s) or other right holder(s) do not receive any remuneration from SLUB Dresden.
3. Author(s) or other right holder(s) are free to dispose of the work in any other way as long as this does not restrict the rights granted to SLUB Dresden in this declaration.
