Call for Paper

22. ASIM-Fachtagung

SIMULATION

in Produktion und Logistik

Kassel

20. – 22. September 2027

*As the largest European conference on **simulation in production and logistics**, the ASIM conference – which bears the same name – provides an overview of future trends, current developments, and successful projects every two years. It features presentations and discussions of both scientific research and real-world industrial applications.*

CONFERENCE VENUE

Campus Center at the University of Kassel
Moritzstraße 18 | 34127 Kassel
https://www.asim-gi.org/en/spl2027/venue

22 ASIM Fachtagung

TOPICS OF THE CONFERENCE

Areas of Application

- Energy Flow and Emissions Simulation
- Human-in-the-loop and Ergonomics
- Intralogistics Systems
- Production Logistics
- Production and Logistics Networks
- Production Planning and Operations
- Resilience and Circular Economy
- Virtual Commissioning
- Industrial Case Studies and Best Practices

Methodologies and Tools

- Cloud-based Simulation
- Digital Twins
- Hybrid Simulation Approaches
- Immersive Simulation (AR/VR/XR)
- Modeling Concepts
- Simulation and Data Science
- Simulation and Industrial Metaverse
- Simulation and Artificial Intelligence
- Simulation and Optimization
- Simulation Methods
- Verification and Validation
- Distributed Simulation

SUBMISSION

Two-stage Process

Anyone interested in simulation from the fields of applications, services, and academia is invited to submit an abstract, on the basis of which they will be asked to write a full paper. Publications will be made available as open access with a persistent identifier (DOI). Contributions without a full paper for presentation at the conference are also welcome. The decision regarding acceptance of a submission is based on the abstract; full papers that receive a positive review will be published in the conference proceedings.

Dates and Deadlines

- Abstract submission: by April 16, 2027
- Full-Paper submission *(following review of the abstract by the conference organizers)*: by May 9, 2027
- Full-Paper review: by June 4, 2027
- Submission of the final manuscript *(following a positive review)*: by June 25, 2027

Submission of Contributions and Conference Language

Papers must be submitted online via EasyChair in German or English:
https://easychair.org/my/conference?conf=asim2027 ›››
Abstracts for the conference may be submitted **starting September 1, 2026**. For each paper, one person must be registered for the conference and present the contribution.

REGISTRATION

You can find all the information you need about registration on our website ›››

COMMITTEE

Hans-Peter Barbey, Hochschule Bielefeld
Sören Bergmann, Technische Universität Ilmenau
Mathias Bös, SDZ GmbH
Thorsten Claus, Internationales Hochschulinstitut Zittau
Uwe Clausen, Fraunhofer-Institut für Materialfluss und Logistik (IML)
Michael Eley, Technische Hochschule Aschaffenburg
Niclas Feldkamp, Technische Universität Ilmenau
Jörg Franke, Friedrich-Alexander-Universität Erlangen-Nürnberg (FAU)
Kai Furmans, Karlsruher Institut für Technologie (KIT)
Jens Fürst, Friedrich-Alexander-Universität Erlangen-Nürnberg (FAU)
Kai Gutenschwager, Ostfalia Hochschule für angewandte Wissenschaften
Jens Heger, Leuphana Universität Lüneburg
Matthias Heinicke, Siemens AG
Markus Klug
Christoph Kogler, Universität für Bodenkultur Wien (BOKU)
Mathias Kühn, Technische Universität Dresden
Ann-Kathrin Lange, Technische Universität Hamburg
Christoph Laroque, Westsächsische Hochschule Zwickau
Alexander Lavrov, Hochschule Kaiserslautern
Sanja Lazarova-Molnar, Karlsruher Institut für Technologie (KIT)
Peter Lendermann, D-SIMLAB Technologies
Lothar März, eta.tech GmbH i.G.
Stefan Nickel, Karlsruher Institut für Technologie (KIT)
Bernd Noche, Universität Duisburg-Essen
Falk Pappert, Universität der Bundeswehr München
Carsten Pöge, Volkswagen AG
Sebastian Rank, Technische Universität Dresden
Tobias Reggelin, Otto-von-Guericke-Universität Magdeburg
Andreas Rinkel, Ostschweizer Fachhochschule Rapperswil
Oliver Rose, Universität der Bundeswehr München
Thorsten Schmidt, Technische Universität Dresden
Monika Schneider, Porsche AG
Peter Schuderer, Technische Hochschule Ingolstadt
Bastian Schumacher, SSI Schäfer Automation GmbH
Christin Schumacher, AutoSchedule GmbH
Sven Spieckermann, SimPlan AG
Dirk Steinhauer, SimPlan AG
Patricia Stock, Hochschule für Angewandte Wissenschaften Hamburg
Steffen Straßburger, Technische Universität Ilmenau
Sebastian Thiede, University of Twente
Margit Thomsen, InControl Enterprise Dynamics
Tobias Uhlig, Universität der Bundeswehr München
Sven Völker, Technische Hochschule Ulm
Christoph von Viebahn, Hochschule Hannover
Markus Vorderwinkler, Fachhochschule Oberösterreich
Sigrid Wenzel, Universität Kassel
Thomas Wiedemann, Hochschule für Technik und Wirtschaft Dresden
Alexander Wuttke, Technische Universität Dortmund
Jens Zimmermann, Miebach Consulting GmbH
Horst Zisgen, Hochschule Darmstadt

EXHIBITION

The exhibition accompanying the conference provides an overview of the current state of simulation tools and related software, as well as the latest research and services in the field of simulation.

If you would like to exhibit at the 22nd ASIM Conference in 2027, please send us an email at: asim2027@uni-kassel.de.

REGISTRATION FEES (per person, including VAT)

The price includes admission to the presentations and to the exhibition, lunch, refreshments with a snack during breaks, a get-together, and an evening event. An on-demand printed conference proceedings booklet may be purchased optionally for an additional fee of € 60.00 and will be mailed after the conference.

• Base price	€ 1,190.00
• Early bird discount *(through June 1, 2027)*	€ 50.00 discount
• Members of ASIM, GI, EUROSIM	€ 140.00 discount
• Paper submission *(1 per paper and author)*	€ 170.00 discount
• For the second and subsequent participants from the same institution	€ 140.00 discount

University affiliates receive a 40 % discount on the final price.

CONFERENCE CHAIR

Univ.-Prof. Dr.-Ing. Sigrid Wenzel
Head of Department Organisation of Production and Factory Planning
